Great rates on eye exams.

Routine eye exams are good for your eyes and body. They help:

- Keep your vision sharp
- Spot eye problems early, before they become a bigger problem
- Find signs of conditions in the body, for earlier treatment

And your cost for an exam is discounted. Even if your health benefits or insurance plan covers your first exam, you can get another one later at a discounted price from a provider participating in the discount program network.

Save on eye exams and eyewear the easy way.

Step 1: Find an eye doctor in the program at www.aetna.com/docfind/custom/uva/
Step 2: Set up an eye exam.
Step 3: Choose from the latest in lenses and most designer frames.
Step 4: Show your Aetna ID card for instant savings.

You don’t have to get a referral or send in a receipt to get money back. You get savings right on the spot. And you can use the program as many times as you want!

Contact lenses — delivered to your doorstep.

If you have a current prescription and need replacement lenses, you can get extra pairs mailed to your home.

Here’s how:
1. Buy your first pair of prescription lenses through your doctor.
2. Then call 800-391-LENS (5367) to order additional pairs of contact lenses. Use your current prescription to place your order.

Pay less for LASIK surgery.

You pay one low package price for LASIK screening, surgery and follow-up care. And the first consultation is free. Even if you decide not to have the surgery.

Call 800-422-6600 to get started. A rep for the U.S. Laser Network can help you find a doctor, set up a surgery date and more. He or she will also go over the costs with you.

Find out more about the program, and how much you can save. Log in to your secure member website at www.aetna.com. Click on “Coverage & Benefits,” then click on “Discounts,” and finish by clicking on “Vision Discounts.”
