UVa Health Plan

TIPS for UVa Employees when using UVA Pharmacies

UVA Barringer Pharmacy, located in the West Complex beside Wahoo West Café, is open Mon-Fri, 08:30-17:00 for dropping off prescriptions to be filled. Prescriptions may be picked up until 17:30. Barringer Pharmacy can fill prescriptions written by any licensed practitioner, UVA-affiliated or not. The cost of drugs is reduced when scripts are written by UVA-provider based clinic physicians.

For additional convenience, UVa employees may also use the UTeam™ Connection Window, located at the corner where the front and back linking hallways join together, to drop off and pick-up prescriptions. The “Window” is open from 08:00 until 17:30 for employees.

UVA ECCC Pharmacy, located in the Cancer Center, is open Mon-Fri, 09:00-17:30 for dropping off and picking up prescriptions. ECCC Pharmacy can only fill UVA-provider based clinic or UVA Hospital-written prescriptions. You may contact the ECCC Pharmacy at 434-243-3881 or email ECCCRx@virginia.edu.

Two new locations provide additional access:

- UVA Bookstore Pharmacy, located within the UVA Bookstore atop the Central Grounds Garage on Emmet Street, is open Mon-Fri 09:00-18:00 and Sat 10:00-16:00. You may contact the UVA Bookstore Pharmacy at 434-243-5509 or email UVABookstoreRx@virginia.edu.
- Zion Crossroads Pharmacy, located within the Primary and Multispecialty Care at UVA Medical Park Zion Crossroads is open Mon-Fri 08:00-17:00. You may contact the Zion Crossroads Pharmacy at 434-243-9136 or by email ZionCrossroadsRx@virginia.edu.

Prescription refills can be requested through the telephone refill system (434-924-2390) or the internet (https://refillrx.healthsystem.virginia.edu). You need your MRN and Rx numbers for both systems. Refills and other information can also be communicated by email to BarringerPharmacy@virginia.edu or any pharmacy phone or email address above. Credit card payment can be received in person, by phone or US mail. Please do not email credit card information for your protection.
Ambulatory Pharmacy Services

Specialty medications can be filled and picked up at any of these pharmacies. Only scripts for specialty medications written by UVA-provider based clinic physicians or UVA Hospital can be filled at UVA ECCC Pharmacy. Specialty Medication Services team members can be reached at 434-243-3886 or SpecialtyMedsRx@virginia.edu. Refills for specialty medications can be requested through telephone, email or internet (see previous paragraph).

- Our pharmacists are great resources for information – information about your medications and the conditions they treat. You are welcome to schedule a time to meet them face-to-face (see above contact information) or talk with them on the phone or by email. We will contact you regularly to see if you have any specific questions or if you need your medication filled/refilled.
- Specialty medications can be sent directly to your home or destination of choice. Simply provide the address when confirming your order or send us an email. There is no additional cost to you for receiving your specialty medication at home. You can also request that specialty medications be sent to a UVA Outpatient Clinic.

In UVA Barringer Pharmacy, employees are given priority when dropping off and picking up prescriptions. To receive the priority, please present your UVA ID badge to the triage technician upon entry in the pharmacy lobby. Employee family members must have a copy of the employee ID to utilize the priority queue. Employee priority cannot be used for neighbors, friends and other relatives not covered by the UVA Health Plan.

UVA Pharmacy team members are happy to notify employees via a phone call, page or email when prescriptions are ready for pick up. Please request this notification and provide contact information to the team member when ordering your prescription.

Parking is available in the following areas at no charge:

- In front of West Complex – approximately 50 spaces are available, first come, first serve. Pharmacy is just behind the main entrance information desk…pass ‘A’ elevators, turn left, then right, then left in rapid succession…pharmacy lobby is on right beside Wahoo West Café.
- Behind West Complex – approximately 30 spaces are available, first come, first serve. This lot is close to ‘the corner’. Enter West Complex at the eye clinic entrance, turn left into hallway and proceed to ‘A’ elevators. Go down one level to first floor.
Ambulatory Pharmacy Services

- 11th Street parking garage…take link across the street to University Hospital and walk to the West Complex across the link. Do not park in the Lee Street garage directly across the street from the Emergency Department. You must ask for an 11th Street parking voucher at UVA Barringer Pharmacy or the ECCCC front desk.
- Central Grounds Garage – one hour parking with $5 Bookstore purchase.
- UVA Medical Park at Zion Crossroads.
