2.4 **Reinstatement as an Eligible Employee**

A former Eligible Employee who subsequently becomes an Eligible Employee again shall have the right to participate in the Plan upon completing the requirements of Section 2.1 above following reemployment.

SECTION 3 - CONTRIBUTIONS

3.1 **Matching Contributions**

(a) **Employees Hired Prior to September 30, 2002**

(i) **Discretionary Match**

The Employer shall credit to each Participant’s Accumulation Account an amount equal to a percentage of the Participant’s deferrals to an eligible deferred compensation plan, as that term is defined in Code section 457(b), established by the Board of Trustees of the VRS, or to a tax-deferred annuity, as that term is defined in Code section 403(b), under the University’s 403(b) program, provided such Participant is making continuous contributions of at least ten dollars ($10.00). The percentage described above shall be determined by the Commonwealth, through its designated agency at its sole and absolute discretion.

(ii) **Maximum Matching Contributions**

(A) The Employer’s matching contribution on behalf of a Participant shall not exceed the lesser of (1) $40.00, or (2) an amount equal to 50% of the Participant’s deferrals for the semimonthly period.

(B) For the period July 1, 2010 through June 30, 2011, the Employer’s matching contribution shall not exceed $20.00 per month.

(b) **Employees Hired On or After September 30, 2002**

(i) **Discretionary Match**
The Employer shall credit to each Participant’s Accumulation Account an amount equal to 50% of the Participant’s deferrals, up to 4% of such deferrals, to an eligible deferred compensation plan, as that term is defined in Code section 457(b), established by the Board of Trustees of the VRS, or to a tax-deferred annuity, as that term is defined in Code section 403(b), under the University’s 403(b) program provided such Participant is making continuous contributions of at least ten dollars ($10.00).

(ii) **Maximum Matching Contributions**

The Employer’s matching contribution on behalf of a Participant shall not exceed an amount equal to 2% of the Participant’s base salary.

(iii) **Minimum Matching Contributions**

At no time shall the Discretionary Match be reduced below that described in Section 3.1(a) above.

(c) **Timing of Contributions**

Timing of the contributions referenced in Section 3.1 shall be the sole and absolute discretion of the Employer.

### 3.2 Transfer Contributions

The Plan shall receive transfers of accrued benefits from the VRS and the Commonwealth of Virginia Matching Contribution Retirement Plan for Salaried Employees of the University of Virginia on behalf of a Participant. The Administrator shall allocate the transferred amounts described in the preceding paragraph among the various investment vehicles permitted under the Plan pursuant to Section 5. The Participant shall provide such instructions in writing on a form prescribed by the Administrator.

### 3.3 Rollover Contributions

The Administrator may, within its sole discretion, allow an Eligible Employee to have deposited on his behalf, a lump sum distribution received from:

(a) the trust of a qualified plan under Code section 401(a); or

(b) an individual retirement account, provided that such account has no assets other than assets which were previously distributed to the Employee by another qualified plan, that the lump sum distribution received represents the entire amount in the individual retirement account, and that such amount met the other applicable requirements of Code section 408(d)(3) for rollover treatment on transfer to the individual retirement account.
Such deposits shall be maintained in the Participant’s Accumulation Account and shall be subject to the other provisions of this Plan.

3.4 Annual Limitation on Contributions

(a) Defined Contribution Limit

In no event shall a Participant’s matching contribution under Section 3.1 above for any Limitation Year exceed the lesser of:

(i) $49,000, as adjusted under Code section 415(d); or

(ii) one hundred percent (100%) of the Participant's 415 Compensation.

(b) Participation In More Than One Plan

If the Employer maintains another qualified defined contribution plan, as defined in Code section 414(i) for Employees, some or all of whom may be Participants in this Plan, then any such Participant's Annual Additions in the other Plan shall be aggregated with the Participant's Annual Additions derived from this Plan for purposes of the limitation in Section 3.4(a) above. If the limitation in Section 3.4(a) is exceeded, the applicable provisions of the other qualified defined contribution plan shall control how the excess annual additions shall be reallocated.

(c) Reallocating Excess Contributions

If the Participant participates in this Plan and no other qualified defined contribution plan sponsored by the Employer or other entity controlled by the Board, and if the limitation in Section 3.4(a) is exceeded, the excess amounts in the Participant’s Accumulation Account shall be used to reduce the matching contribution for the next Limitation Year (and succeeding Limitation Years, as necessary) for that Participant. However, if that Participant is not covered by the Plan as of the end of a Limitation Year, then the excess amounts must be held unallocated in a suspense account for the Limitation Year and allocated and reallocated in the next Limitation Year to all of the remaining Participants in the Plan in proportion to what each Participant’s 415 Compensation for the Plan Year bears to the 415 Compensation for all such Participants for the Plan Year. In no case may excess amounts be distributed to Participants or Former Participants.

(d) No Exceeding 415 Limit

In no event shall the amount of any benefit or annuity determined under this Plan Section 3 exceed the maximum benefit permitted under Code section 415.

3.5 Reemployment of Returning Veterans

(a) Retroactive Contributions
If a Participant is in qualified military service, as that term is defined under USERRA, and he returns to employment with the Employer within ninety (90) days of the end of his military leave (or such longer period of time as his reemployment rights are protected by law), the Employer shall make the contributions described in Section 3.1 above on behalf of the Participant that he otherwise would have been entitled to but for his absence due to the military leave.

(b) **Limitations**

Contributions made pursuant to (a) above shall not be counted for purposes of Section 3.4 during the Limitation Year when they are made. Rather such contributions shall be counted for purposes of Section 3.4 in the Limitation Year to which the contributions relate.

(c) **Compensation**

For purposes of (a) and (b) above, the Administrator shall treat the Participant as receiving Compensation during the period of qualified military service equal to the amount of Compensation the Participant would have received from the Employer during such period, based on the rate of pay the Participant would have received from the Employer but for the absence due to military service, or, if such rate of pay is not reasonably certain, the Participant’s average Compensation during (I) the twelve (12) month period immediately before the qualified military service or, (II) if shorter, the period of employment immediately before the qualified military service.

(d) **Crediting of Earnings**

A Participant who is entitled to a contribution pursuant to (a) above shall not be entitled to receive corresponding retroactive earnings attributable to such contribution.

SECTION 4 - VESTING

A Participant shall be fully vested in his or her Accumulation Account at all times under the Plan.

SECTION 5 - INVESTMENT OPTIONS

5.1 **Investment Options**

The Participant shall have the option to allocate the matching contribution made pursuant to Section 3.1 between the following forms of investment:
(a) an annuity contract that meets the requirements of Code section 403(a), or

(b) a qualified trust as described in Code section 401(a).

When first becoming a Participant in the Plan, as described in Section 2.1, the Eligible Employee shall also designate on a Plan application form prescribed by the Administrator whether Plan contributions should be invested in an annuity contract or the Trust. A Participant may change the investment allocation at such time or times as the Administrator may prescribe.

5.2 Annuity Contract

The University may offer one or more annuity contracts described in Section 5.1(a) above among which a Participant may choose to allocate contributions made to his or her Accumulation Account. The Administrator shall determine the nature and the quality of the investments offered under each of these contracts. To the extent a Participant may choose among various investments offered under an annuity contract, any communication regarding such investment shall be between the sponsor of the annuity contract and the Participant. Once a Participant chooses an annuity contract to which to allocate Plan contributions, the University shall have no further responsibility regarding such contributions.

5.3 Qualified Trust

(a) Individual Accounts

The Administrator shall establish and maintain an account in the name of each Participant to which there shall be credited (or debited) a Participant's contributions made in accordance with Section 3.1, 3.2, 3.3 or 3.5 above that the Participant has designated are to be allocated to the Trust pursuant to Section 5.1(b) above. The Administrator shall adjust, as of each Valuation Date, the balance of each Participant's account to reflect the current market value of the Investment Funds in which each the account was invested. A Participant's interest in any Investment Fund shall be determined and accounted for based on his beneficial interest in any such Fund, and no Participant shall have any interest in or rights to any specific asset of any Investment Fund.

(b) Investment of Accounts

(i) The balance held for the benefit of each Participant in his account shall be invested at the direction of each Participant among one or more of the Plan's Investment Funds. The Administrator in its sole discretion shall determine the nature and the quality of the investments in each of these Funds. There will be at least three Investment Funds to which a Participant may allocate his Accounts and each of these Funds will have a different one of the following primary objectives:
(A) The generation of the highest level of income consistent with the preservation of capital over the long term;

(B) Capital appreciation; and

(C) A balance between capital appreciation and preservation of capital and generation of income.

(ii) The Administrator shall provide Participants with directions as to how to obtain information sufficient to enable Participants to make informed investment directions. Neither the Administrator nor the Trustees, however, shall provide investment advice to a Participant with respect to an investment.

(iii) Each Participant shall be responsible for directing the investment of all contributions in his or her account. Participant investment directions shall be made in a manner prescribed by the Administrator. Investments shall be made in one (1) or more of the Investment Funds made available under subsection (i) hereof.

(iv) Subject to the terms and limitations of the various Investment Funds, each Participant may direct at such time or times as the Administrator may prescribe that amounts held in one or more of the Investment Funds described in subsection (i) hereof, may be transferred to, from or between such Investment Funds.

(c) Allocations of Earnings and Losses

Allocations of earnings and losses to Participant accounts shall be accomplished as follows:

(i) The dividends, capital gains distributions, and other earnings received on any share or unit of an Investment Fund that is specifically credited or earmarked to a Participant's account under the Plan in accordance with the directed investment provisions of this Section 5.3 shall be allocated to such account and immediately reinvested, to the extent practicable, in additional shares or units of such Investment Fund.

(ii) To the extent not otherwise provided in paragraph (i) above, the assets of each Investment Fund shall be valued by the Trustee at their current fair market value of as each Valuation Date, and the earnings and losses of the Investment Fund since the immediately preceding Valuation Date shall be allocated to the accounts of all Participants with interests in that Investment Fund in the ratio that the fair market value of each such interest as of the immediately preceding Valuation Date, reduced by any distributions or withdrawals therefrom since such preceding Valuation Date, bears to the total fair market value of all such interests as of the
immediately preceding Valuation Date, reduced by any distributions or withdrawals therefrom since such preceding Valuation Date.

(d) **Allocation to Individual Accounts**

The accounts of each Participant shall be adjusted as of each Valuation Date by (I) reducing such accounts by any payments made therefrom since the preceding Valuation Date, and then (II) increasing or reducing such accounts by the Participant's share of earnings and losses, determined pursuant to (c) above, and the expense of administering the Investment Funds since the preceding Valuation Date, and (III) crediting such accounts with any contributions allocated thereto since the preceding Valuation Date.

(e) **Valuation for Withdrawal and Distribution**

For purposes of paying the amounts to be withdrawn or distributed to a Participant or beneficiary pursuant to Section 6.2 below, the value of the Participant's Accumulation Account allocated to the Trust shall be determined in accordance with the provisions of this Section 5.3 as of the Valuation Date that is on or immediately preceding the date the distribution is made.

5.4 **Reallocation Among Annuity Contracts and the Trust**

A Participant may reallocate all or a portion of his or her Accumulation Account invested in annuity contracts to the Trust, or vice versa, to the extent permitted, if at all, by the sponsor of the annuity and the Administrator.

**SECTION 6 - DISTRIBUTIONS**

6.1 **Distributions of Amounts Allocated to Annuity Contracts**

Distribution of the portion of a Participant’s Accumulation Account allocated to annuity contracts shall be distributed in accordance with the terms of the applicable annuity contract.

6.2 **Distributions of Amounts Allocated to the Trust**

Distribution of the portion of a Participant’s Accumulation Account allocated to the Trust shall be distributed in the following manner:

(a) **Election to Receive Benefits**

A Participant no longer employed by the Employer or any other entity controlled by the Board may elect to receive his or her benefits any time on or after the day he or she separates from service. Such distribution shall be made on the later of 60 days from the receipt of request for such distribution or the date the
Administrator determines the value of the Participant’s Accumulation Account for purposes of distribution. The amount to be distributed shall be determined based on the value of the portion of the Former Participant’s Accumulation Account balance allocated to the Trust as determined pursuant to Section 5.3(e). Such request shall be made on a written form prescribed or approved by the Administrator.

(b) **Forms of Distribution**

A Participant may elect to receive a distribution of the portion of his or her Accumulation Account allocated to the Trust in one of the following forms:

(i) lump sum,

(ii) Joint and Survivor Annuity, or

(iii) Life Annuity.

(c) **Failure to Make an Election to Receive Benefits**

If a Participant fails to make an election under Section 6.2(a) above before the date described in Section 6.3 below, the Administrator shall direct the Trustee to distribute the portion of the Participant’s Accumulation Account allocated to the Trust in a lump sum.

6.3 **Minimum Distribution Requirements**

In no event shall distributions commence later than April 1 of the calendar year following the calendar year in which the Participant attains age seventy-and one-half (70 ½). except if the Participants is an Employee in the calendar year he or she attains age seventy-and one-half (70 ½), in which case the distribution may commence April 1 of the calendar year following the calendar year in which the Participant retires. Distributions in all cases will be made in accordance with Code section 401(a)(9) and the regulations thereunder.

6.4 **Direct Rollover**

(a) **General**

Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee’s election under this Section 6.4, a distributee may elect, at the time and in the manner prescribed by the Administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(b) **Definitions**

(i) **Eligible Rollover Distributions**
An eligible rollover distribution is any distribution or withdrawal of all or any portion of an Accumulation Account balance, other than (1) any payment that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten (10) years or more; (2) any payment to the extent such payment is required under Code section 401(a)(9); (3) the portion of any payment that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and (4) any other payment that is treated as ineligible for a direct rollover under Code section 401(a)(31), the related regulations, and other guidance.

(ii) Eligible Retirement Plan

An eligible retirement plan is (1) an individual retirement account described in Code section 408(a); (2) an individual retirement annuity described in Code section 408(b); (3) an individual retirement annuity described in Code section 403(a); (4) a qualified retirement plan described in Code section 401(a) that accepts the distributee’s eligible rollover distribution; (5) an eligible deferred compensation plan described in Code section 457(b) maintained by an eligible employer described in Code section 457(e)(1)(A) that separately accounts for eligible rollover distributions; (6) an annuity contract described in Code section 403(b); or (7) effective January 1, 2008, a Roth IRA described in Code section 408A(b) (subject to the rules and provisions set forth in Code § 408A(e) and any regulations thereunder). For a non-spouse beneficiary described in the last sentence of Section 6.4(b)(iii) an eligible retirement plan shall include only an individual retirement plan or annuity described in (1), (2), or (7) above, that is treated as an inherited IRA of the beneficiary.

(iii) Distributee

A distributee includes a Participant or former Participant. In addition, the Participant's or former Participant's surviving spouse and the Participant's or former Participant's spouse or former spouse who is the alternate payee under an administrative domestic relations order are distributees with regard to the interest of the spouse or former spouse. Effective January 1, 2010, a Participant or former Participant's non-spouse beneficiary is a distributee with respect to any otherwise eligible rollover distribution that is paid to the beneficiary.

(iv) Direct Rollover

A direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee.
6.5 Reemployment of Participant

Notwithstanding anything to the contrary in the foregoing, if a former Participant returns to the service of the Employer or any other entity controlled by the Board after distribution of his or her benefits has begun, and is eligible to participate in the VRS, the Optional Retirement Plan for Employees of the University of Virginia or the Optional Retirement Plan for Employees of the University of Virginia Medical Center, such distributions shall immediately cease and no benefits shall be paid until such Participant again becomes entitled to benefits under the terms of this Plan.

6.6 Payments Made Pursuant to a Administrative Domestic Relations Order

Notwithstanding any other provision of this Plan, the Administrator may direct the distribution of any portion of the Participant’s Accounts payable to an alternate payee (as defined in Code section 414(p)(8)) pursuant to an administrative domestic relations order (as determined by the Administrator in accordance with Code section 414(p)(11)) prior to the date on which the Participant attains his or her earliest retirement age (as defined in Code section 414(p)(4)), provided that the Administrator has properly notified the affected Participant and each alternate payee of the order and has determined that the order is an administrative domestic relations order. The alternate payee shall be paid his or her separate accounts or his or her percentage of the Participant’s accounts in a lump sum payment unless the domestic relations order specifies a different manner of payment permitted by the Plan. The alternate payee shall not be required to consent to such lump sum payment.

SECTION 7 - AMENDMENT AND TERMINATION

7.1 Amendment

The University reserves the right to amend the Plan, through affirmative action by the Board at any time and from time to time, in whole or in part, including, without limitation, retroactive amendments necessary or advisable to qualify the Plan and Trust under the provisions of Code sections 401(a) and 403(a). The Board may delegate its authority to amend the Plan to one or more officers of the University. Except as set forth in Section 7.3, no such amendment shall (1) cause any part of the assets of the Plan and Trust to revert to or be recoverable by the University or the University of Virginia Medical Center, or be used for or diverted to purposes other than the exclusive benefit of Participants, Former Participants, and beneficiaries; (2) deprive any Participant, Former Participant, or beneficiary of any benefit already vested; (3) alter, change, or modify the duties, powers, or liabilities of the Trustee without its written consent; or (4) permit any part of the assets of the Plan and the Trust to be used to pay premiums or contributions of the University or the University of Virginia Medical Center under any other plan maintained by the University or the University of Virginia Medical Center for the benefit of its Employees. No amendment to the vesting schedule shall deprive a Participant of non-forfeitable rights to benefits accrued to the date of the amendment.
7.2 Termination, Partial Termination, or Complete Discontinuance of Contributions

Although the Plan is established with the intention and expectation that contributions will be made indefinitely, nevertheless the Employer or any other entity controlled by the Board shall not be under any obligation or liability to continue contributions or to maintain the Plan for any given length of time. The Board, by an affirmative action an in its sole and absolute discretion, may discontinue contributions or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for the discontinuance or termination. However, the Trust shall continue until the portions of Participants’ Accumulation Accounts that have been allocated to the Trust have been completely distributed to or for the benefit of such Participants in accordance with the Plan.

7.3 Permissible Reversions

(a) Notwithstanding any other provision of the Plan:

(i) No Participant nor beneficiary shall have any right or claim to any assets of the Trust or to any benefit under the Plan before the Internal Revenue Service determines that the Plan and Trust qualify under the provisions of Code section 401(a), or any statute of similar import, other than any vested rights or benefits accrued represented by any assets transferred from the VRS, to the extent vested upon transfer to this Plan and Trust from the VRS. Upon the distribution to the Participants of any vested amounts or benefits transferred from the VRS and the return of any remaining contributions to the Employer following the denial of initial qualification of the Plan and Trust under the provisions of Code section 401(a), the Trust provided for in this Plan shall be terminated and the Trustees shall be discharged from all obligations hereunder.

(ii) To the extent the matching contributions are made by reason of a mistake of fact, they may be returned to the Employer within one (1) year from the date of contribution.

(b) The amounts that may be returned to the Employer under Section 7.3(a)(ii) above shall be the excess of the amounts contributed over the amounts that would have been contributed had there not been a mistake of fact. No earnings on the mistaken contributions may be returned to the Employer and losses sustained by the Trust after the date of contribution shall proportionately reduce the amount that may be returned to the Employer.
SECTION 8 - CLAIMS

8.1 Claims for Benefits Under an Annuity Contract

A Participant’s (or beneficiary's) claim for benefits for the portion of the Participant's Accumulation Account allocated to an annuity contract shall be resolved by the sponsor of the annuity contract based on procedures it has established.

8.2 Claims for Benefits Under the Trust

A Participant’s (or beneficiary’s) claim for benefits for the portion of the Participant’s Accumulation Account invested in the Trust may be presented in writing by the Participant to the Administrator. If the claim for benefits is wholly or partially denied, the Administrator shall notify the Participant (or beneficiary) in writing of such denial of benefits within sixty (60) days of receipt of the claim.

Any notice of a denial of benefits shall advise the Participant (or beneficiary) of:

(a) the specific reason or reasons for the denial;

(b) the specific provisions of the Plan on which the denial is based;

(c) any additional material or information necessary for the Participant (or beneficiary) to perfect the claim and an explanation of why such material or information is necessary; and

(d) the steps which the Participant (or beneficiary) must take to have the claim reviewed.

A Participant (or beneficiary) whose claim has been denied may file a written request for a review by the Administrator of the denial of this claim. Such written request for review must be filed within sixty (60) days after receipt of written notification of the denial of this claim. The Administrator shall review the written comments and any submissions of the Participant (or beneficiary) and render its decision regarding the appeal within sixty (60) days of receipt of such appeal. Such decision shall be in writing setting forth the specific reasons and specific Plan provisions on which the Administrator based its decision.

SECTION 9 - ADMINISTRATION

Nor shall any employee of the Administrator be liable for the wrongful or negligent conduct of any other or any person having fiduciary responsibilities with respect to the Plan unless the employee (i) knowingly participates in or undertakes to conceal an act or omission of such other person knowing the act or omission is a breach of fiduciary duty, (ii) by failing to act solely in the interests of Participants and beneficiaries or to exercise the care, skill, prudence and diligence under the circumstances prevailing from time to time that a prudent man acting in a like capacity and familiar with such matters would exercise, has enabled the other fiduciary to commit

10.1 The Trust Agreement

"Trust Agreement" means the "Trust Agreement between the University of Virginia and Fidelity Management Trust Company for the Matching Contribution Retirement Plan for Salaried Employees of the University of Virginia Medical Center." The Trustees are to hold, invest, and distribute the Trust Fund in accordance with the terms and provisions of the Trust Agreement. The duties and rights of the Trustees shall be determined solely by reference to the Trust Agreement.

10.2 No Diversion of Corpus or Income

In no event shall any portion of the corpus or income of the Trust Fund be used for or diverted to purposes other than the exclusive benefit of Participants and their beneficiaries.

SECTION 11 - MISCELLANEOUS

11.1 Limitation of Rights; Employment Relationship

Neither the establishment of the Plan and the Trust nor any modifications of them, nor the creation of any fund or account, nor the payment of any benefits, shall be construed as modifying or affecting in any way the terms of employment of any Employee.

11.2 Merger; Transfer of Assets

(a) If the Employer merges or consolidates with or into another entity, or if substantially all the assets of the Employer are transferred to another entity, the Plan shall terminate on the effective date of the merger, consolidation, or transferee. However, if the surviving entity resulting from the merger or consolidation, or the entity to which the assets have been transferred, adopts this Plan, the Plan shall continue and the successor entity shall succeed to all rights, powers, and duties of the Employer under the Plan, and the employment of any Employee who is
continued in the successor entity's employ shall not be deemed to have been terminated for any purpose under the Plan.

(b) This Plan shall not be merged or consolidated with any other employee benefit plan, nor shall there by any transfer of assets or liabilities from this Plan to any other plan, unless, immediately after the merger, consolidation, or transfer, each Participant's benefits, if the other plan were then to terminate, are at least equal to the benefits to which the Participant would have been entitled had this Plan been terminated immediately before the merger, consolidation, or transfer.

11.3 Prohibition Against Assignment

(a) Except as provided below, the benefits provided by this Plan may not be assigned or alienated. Neither the Administrator nor the Trustees shall recognize any transfer, mortgage, pledge, hypothecation, order, or assignment by any Participant or beneficiary of all or part of his or her interest under the Plan, and the interest shall not be subject in any manner to transfer by operation of law and shall be exempt from the claims of creditors or other claimants from all orders, decrees, levies, garnishment, and/or executions, and other legal or equitable process or proceedings against the Participant or beneficiary to the fullest extent that may be permitted by law.

(b) This provision shall not apply to the extent a Participant or beneficiary is indebted to the Plan, for any reason, under any provision of this Agreement. At the time a distribution is to be made to or for a Participant’s or a beneficiary’s benefit, such proportion of the amount distributed as shall equal such indebtedness, shall be paid by the Trustees to the Trustees or the Administrator, at the direction of the Administrator, to apply against or discharge such indebtedness. Prior to making a payment, however, the Participant or beneficiary must be given written notice by the Administrator that such indebtedness is to be so paid in whole or in part from his account. If the Participant or beneficiary does not agree that the indebtedness is a valid claim against his vested Accounts, he shall be entitled to a review of the validity of the claim in accordance with procedures provided in Section 8.

(c) This provision shall not apply to an administrative domestic relations order and those other domestic relations orders permitted to be so treated by the Administrator under the Code. To the extent provided under an administrative domestic relations order, a former spouse of a Participant shall be treated as the spouse or surviving spouse for all purposes under the Plan.

11.4 Applicable Law; Severability

This Plan shall be construed, administered, and governed in all respects in accordance with the laws of the Commonwealth, provided, however, that if any provision is susceptible to more than one interpretation, it shall be interpreted in a manner consistent with the Plan’s being a qualified plan within the meaning of the Code. If any provisior:
