

Just4U™ products go way beyond your typical vending fare. They feature a wide variety of better-for-you refreshment choices that gives you a healthier, low-fat, low calorie and carb-conscious options.

To make it easy to identify **Just4U™** products, we created distinctive checkmark symbols that help locate specific items in the vending machine. Simple, bold signs applied to the front of the machine will detail each symbol's nutritional benefits. You can quickly and easily choose a snack or refreshment based on your eating preference.

Snacks

5 grams of fat or less and less than 30% of calories from fat per serving
