PREAMBLE

The University of Virginia (the “University”) established the Optional Retirement Plan for Employees of the University of Virginia (formerly, the “Defined Contribution Plan for the General Faculty of the University of Virginia”) (the “Plan”) effective July 1, 1989. The Plan is a money purchase pension plan and was adopted to replace a defined contribution 403(b) plan that the University had provided general faculty prior to July 1, 1989. The Plan was originally a 403(a) plan funded solely through annuity contracts. However, the Plan was amended and restated effective January 1, 1996 to add the Trust for the Defined Contribution Plan for the General Faculty of the University of Virginia (the “Trust”) to provide an alternative form of funding Participants’ benefits. Various other changes were made in 1996 including amending the employer contribution formula. As a result of the 1996 restatement, the Plan is currently intended to be a qualified plan under 401(a) of the Internal Revenue Code of 1986, as amended (the “Code”), funded by both annuities that qualify under Code section 403(a) and a tax exempt 501(a) trust. The Plan was amended and restated effective January 1, 2010 to reflect technical changes and the establishment of a separate qualified excess benefit arrangement plan and to rename the Plan. The Plan is a governmental plan as described in Code section 414(d).

intended Plan benefit has not been obtained or is not available because of the Participant’s or beneficiary’s failure to furnish such information and fill out, sign and file such documents.

2.3 Termination of Participation

(d) Participants Transferred to Other Entities Controlled by the Board

Notwithstanding (a) above, where a Participant is transferred to another entity controlled by the Board, the University through its Executive Vice President and Chief Financial Officer, may, in its sole and absolute discretion, declare that the affected Participant will not terminate participation in the Plan as a result of the transfer and will remain a Participant in the Plan regardless of the fact that he is no longer an Eligible Employee.

2.4 Reinstatement as an Eligible Employee

A former Eligible Employee who subsequently becomes an Eligible Employee again shall have the right to elect to participate in the Plan as described in Section 2.1 above.

2.5 Prohibition Against Simultaneous Participation

A Participant in this Plan may not at the same time participate in the VRS or be receiving benefits from the VRS.
SECTION 3 - CONTRIBUTIONS

3.1 Employer Contributions

(a) Participants Who Commenced Participation Before January 1, 1991

In the case of a Participant who commenced participation in the Plan before January 1, 1991 and who has had uninterrupted participation since, the Employer shall contribute to such Participant’s Accumulation Account for the Plan Year an amount equal to the greater of:

(i) 10.4% of Compensation, or
(ii) 11.5% of Compensation with a maximum of $100,000 taken into consideration when calculating the contribution herein.

(b) Participants Who Commenced Participation On or After January 1, 1991, But Before July 1, 2010, and Certain Grandfathered Participants

In the case of a Participant who commenced participation in the Plan on or after January 1, 1991, but before July 1, 2010, the Employer shall contribute to such Participant’s Accumulation Account for the Plan Year an amount equal to 10.4% of such Participant’s Compensation or such other rate that may be established from time to time by the Commonwealth or provided for under section 51.1-126 of the Code of Virginia.

This Section 3.1(b) shall also apply to a Participant who commenced participation in the Plan on or after July 1, 2010, but who either (i) immediately prior to commencing participation in the Plan continuously been a member of a retirement plan sponsored by the Virginia Retirement System, as that term is defined in Section 51.1-124.3 of the Code of Virginia, since June 30, 2010; or (ii) had entered into a written contract for employment as an Eligible Employee or in a “covered position” for retirement purposes under Title 51.1 of the Code of Virginia prior to March 15, 2010. Such Participants also shall be considered to have commenced participation in the Plan before July 1, 2010 for purposes of Section 3.2.

(c) Participants Who Commenced Participation On or After July 1, 2010

In the case of a Participant who commenced participation in the Plan on or after July 1, 2010, the Employer shall contribute to such Participant’s Accumulation Account for the Plan Year an amount equal to 8.9% of such Participant’s Compensation or such other rate that may be permitted from time to time by the Commonwealth or provided for under section 51.1-126 of the Code of Virginia.
(d) **Participants on Educational Leaves of Absence**

The Employer shall continue to make a contribution under this Section 3.1 on behalf of a Participant who is on an Educational Leave of Absence subject to the limitation described in Section 3.4.

(e) **Participants who are receiving Long Term Disability**

A Participant who is receiving benefits under the Employer’s long term disability plan shall continue to have contributions made on his behalf into the Plan by the long term disability plan.

(f) **Timing of Contributions**

Timing of the contributions described in (a) - (d) above shall be determined by the Administrator in its sole and absolute discretion.

### 3.2 Mandatory Employee Contributions

In the case of a Participant to whom Section 3.1(c) applies, the Employer shall make a Mandatory Employee Contribution to such Participant’s Accumulation Account for the Plan Year of an amount equal to 5% of such Participant’s Compensation or such other rate that may be established from time to time by the Commonwealth or provided for under section 51.1-126 of the Code of Virginia. Mandatory Employee Contributions shall be paid by the Employer in lieu of employee contributions. The source of each Mandatory Employee Contribution paid by the University shall be a corresponding reduction in the salary of the Participant on whose behalf the Employer makes a Mandatory Employee Contribution. A Participant for whom the Employer makes a Mandatory Employee Contribution shall have no cash or deferred election right (within the meaning of section 1.401(k)-1(a)(3) of the Treasury Regulations) with respect to the Mandatory Employee Contributions paid to the Plan by the Employer. The Mandatory Employee Contributions shall be treated as paid by the Employer for the purpose of Code section 414(h)(2), but shall be treated as “member contributions” paid by Participants for the purpose of Virginia Code section 51.1-126.F.1.

A Participant to whom Section 3.1(c) applies shall continue to make the Mandatory Employee Contribution while receiving benefits under the Employer’s long term disability plan and while on a paid Educational Leave of Absence. Mandatory Employee Contributions shall not be made while a Participant is on an unpaid Educational Leave of Absence.

### 3.3 Transfer Contributions

The Plan shall receive only transfers of accrued benefits from the VRS on behalf of a Participant. It shall accept no other transfers or rollovers of any kind.
The Administrator shall allocate the transferred amounts described in the preceding paragraph among the various investment vehicles permitted under the Plan pursuant to Section 5. The Participant shall provide such instructions in writing on a form prescribed by the Administrator.

3.4 Limitations on Contributions

(a) Annual Limitation on Contributions

In no event shall a Participant’s Employer and Mandatory Employee Contributions under Section 3.1 above for any Limitation Year exceed the lesser of:

(i) $49,000, as adjusted under Code section 415(d); or

(ii) one hundred percent (100%) of the Participant’s 415 Compensation.

(b) Participation In More Than One Plan

If the Employer maintains one or more qualified defined contribution plans, as defined in Code section 414(i), for Employees, some or all of whom may be Participants in this Plan, then the contributions made on behalf of a Participant in such other plans shall be aggregated with the contributions made on behalf of the Participant derived from this Plan for purposes of the limitation in Section 3.4(a) above. In the event that the Participant’s aggregate annual additions exceed the contribution limit in Section 3.4(a) for any Limitation Year, the annual additions under this Plan shall be reduced to the maximum extent necessary and reallocated in accordance with the terms found in the Qualified Governmental Excess Benefit Arrangement.

(c) No Exceeding 415 Limit

In no event shall the amount of any benefit or annuity determined under this Plan Section 3 exceed the maximum benefit permitted under Code section 415.

3.5 Reemployment of Returning Veterans

(a) Retroactive Contributions

If a Participant is in qualified military service, as that term is defined under USERRA, and he returns to employment with the Employer within ninety (90) days of the end of his military leave (or such longer period of time as his reemployment rights are protected by law), the Employer shall make the contributions described in Section 3.1 above on behalf of the Participant that he otherwise would have been entitled to but for his absence due to the military leave
and the Participant shall be entitled to make an irrevocable election to have his salary reduced to make the contributions described in Section 3.2 above that he otherwise would have been required to make but for his absence due to the military leave. For each period of qualified military service, the Participant may make only one irrevocable election to reduce his salary to make the contributions described in Section 3.2; such contribution shall be paid by the Employer in lieu of employee contributions and shall be treated as paid by the Employer for the purpose of Code section 414(h)(2).

(b) **Limitations**

Contributions made pursuant to (a) above shall not be counted for purposes of Section 3.3 during the Plan Year (Limitation Year) when they are made. Rather such contributions shall be counted for purposes of Section 3.3 in the Plan Year to which the contributions relate.

(c) **Compensation**

For purposes of (a) and (b) above, the Administrator shall treat the Participant as receiving Compensation during the period of qualified military service equal to the amount of Compensation the Participant would have received from the Employer during such period, based on the rate of pay the Participant would have received from the Employer but for the absence due to military service, or, if such rate of pay is not reasonably certain, the Participant’s average Compensation during (I) the twelve (12) month period immediately before the qualified military service or, (II) if shorter, the period of employment immediately before the qualified military service.

(d) **Credititing of Earnings**

A Participant who is entitled to a contribution pursuant to (a) above shall not be entitled to receive corresponding retroactive earnings attributable to such contribution.

**SECTION 4 - VESTING**

A Participant shall be fully vested in his Accumulation Account at all times under the Plan.

**SECTION 5 - INVESTMENT OPTIONS**

5.1 **Investment Options**
The Participant shall have the option to allocate the Employer’s contribution made pursuant to Section 3 between the following forms of investment:

(a) an annuity contract that meets the requirements of Code section 403(a), or
(b) a qualified trust as described in Code section 401(a).

When first applying to become a Participant in the Plan, as described in Section 2.1, the Eligible Employee shall also designate on the Plan application form prescribed by the Administrator whether Plan contributions should be invested in an annuity contract or the Trust. A Participant may change the investment allocation at such time or times as the Administrator may prescribe.

5.2 Annuity Contract

The Administrator may offer one or more annuity contracts described in Section 5.1(a) above among which a Participant may choose to allocate contributions made to the Participant’s Accumulation Account. The nature and the quality of the investments offered under each of these contracts shall be determined by the Administrator. To the extent a Participant may choose among various investments offered under an annuity contract, any communication regarding such investment shall be between the sponsor of the annuity contract and the Participant. Once a Participant chooses an annuity contract to which to allocate Plan contributions, the University shall have no further responsibility regarding such contributions.

5.3 Qualified Trust

(a) Individual Accounts

The Administrator shall establish and maintain an Accumulation Account in the name of each Participant to which there shall be credited (or debited) a Participant’s contributions made in accordance with Sections 3.1, 3.2 or 3.3 above that the Participant has designated are to be allocated to the Trust pursuant to Section 5.1(b) above. The Administrator shall adjust, as of each Valuation Date, the balance of each Participant’s account to reflect the current market value of the Investment Funds in which each Accumulation Account was invested. A Participant’s interest in any Investment Fund shall be determined and accounted for based on his beneficial interest in any such Fund, and no Participant shall have any interest in or rights to any specific asset of any Investment Fund.

(b) Investment of Accounts

(i) The balance held for the benefit of each Participant in his Accumulation Account shall be invested at the direction of each Participant among one or more of the Plan’s Investment Funds. The nature and the quality of the
investments in each of these Funds shall be determined by the Administrator in its sole discretion. There will be at least three Investment Funds to which a Participant may allocate his Accumulation Account and each of these Funds will have a different one of the following primary objectives:

(A) The generation of the highest level of income consistent with the preservation of capital over the long term;

(B) Capital appreciation; and

(C) A balance between capital appreciation and preservation of capital and generation of income.

(ii) The Administrator shall provide Participants with directions as to how to obtain information sufficient to enable Participants to make informed investment directions. Neither the Administrator nor the Trustees, however, shall provide investment advice to a Participant with respect to an investment.

(iii) Each Participant shall be responsible for directing the investment of all contributions in his Accumulation Account. Participant investment directions shall be made in a manner prescribed by the Administrator. Investments shall be made in one (1) or more of the Investment Funds made available under subsection (i) hereof.

(iv) Subject to the terms and limitations of the various Investment Funds, each Participant may direct at such time or times as the Administrator may prescribe that amounts held in one or more of the Investment Funds described in subsection (i) hereof, may be transferred to, from or between such Investment Funds.

(c) Allocations of Earnings and Losses

Allocations of earnings and losses to the Participant’s Accumulation Account shall be accomplished as follows:

(i) The dividends, capital gains distributions, and other earnings received on any share or unit of an Investment Fund that is specifically credited or earmarked to a Participant's Accumulation Account under the Plan in accordance with the directed investment provisions of this Section 5.3 shall be allocated to such account and immediately reinvested, to the extent practicable, in additional shares or units of such Investment Fund.

(ii) To the extent not otherwise provided in paragraph (i) above, the assets of each Investment Fund shall be valued by the Trustee at their current fair
market value of as each Valuation Date, and the earnings and losses of the Investment Fund since the immediately preceding Valuation Date shall be allocated to the Accumulation Accounts of all Participants with interests in that Investment Fund in the ratio that the fair market value of each such interest as of the immediately preceding Valuation Date, reduced by any distributions or withdrawals therefrom since such preceding Valuation Date, bears to the total fair market value of all such interests as of the immediately preceding Valuation Date, reduced by any distributions or withdrawals therefrom since such preceding Valuation Date.

(d) Allocation to Individual Accounts

The Accumulation Account of each Participant shall be adjusted as of each Valuation Date by (I) reducing such accounts by any payments made therefrom since the preceding Valuation Date, and then (II) increasing or reducing such accounts by the Participant's share of earnings and losses, determined pursuant to (c) above, and the expense of administering the Investment Funds since the preceding Valuation Date, and (III) crediting such accounts with any contributions allocated thereto since the preceding Valuation Date.

(e) Valuation for Withdrawal and Distribution

For purposes of paying the amounts to be withdrawn or distributed to a Participant or beneficiary pursuant to Section 6.2 below, the value of the Participant's Accumulation Account allocated to the Trust shall be determined in accordance with the provisions of this Section 5.3 as of the Valuation Date that is on or immediately preceding the date the distribution is made, except as otherwise determined in accordance with Section 6.3.

5.4 Reallocation Among Annuity Contracts and the Trust

A Participant may reallocate all or a portion of his or her Accumulation Account invested in annuity contracts to the Trust, or vice versa, to the extent permitted, if at all, by the sponsor of the annuity and the Administrator.

SECTION 6 - DISTRIBUTIONS

6.1 Distributions of Amounts Allocated to Annuity Contracts

Distribution of the portion of a Participant’s Accumulation Account allocated to annuity contracts shall be in accordance with the terms of the applicable annuity contract.

6.2 Distributions of Amounts Allocated to the Trust
Distribution of the portion of a Participant’s Accumulation Account allocated to the Trust shall be distributed in the following manner:

(a) **Election to Receive Benefits**

(i) **Termination of Employment.** A Participant no longer employed by the Employer may receive his or her benefits any time on or after the day he separates from service. Such distribution shall be made on the later of 60 days from the receipt of request for such distribution or the date the Administrator determines the value of the Participant’s Accumulation Account for purposes of distribution. The amount to be distributed shall be determined based on the value of the portion of the Former Participant’s Accumulation Account balance allocated to the Trust as determined pursuant to Section 5.3(e). Such request shall be made on a written form prescribed or approved by the Administrator.

Notwithstanding the foregoing, a Participant who is employed by any other entity controlled by the Board and who remains a Participant by virtue of a declaration of the University may receive benefits as described in the preceding paragraph only on or after the day he separates from service with that entity.

(ii) **Phased Retirement.** A Participant in Phased Retirement who is age 59½ or older may elect to receive a distribution from the Plan as described in paragraph (i) above, even if still an Employee.

(b) **Forms of Distribution**

A Participant may elect to receive a distribution of the portion of his or her Accumulation Account allocated to the Trust in one of the following forms:

(i) Lump sum,

(ii) Joint and Survivor Annuity, or

(iii) Life Annuity.

(c) **Failure to Make an Election to Receive Benefits**

If a Participant fails to make an election under Section 6.2(a) above before the date described in Section 6.3 below, the Administrator shall direct the Trustee to distribute the portion of the Participant’s Accumulation Account allocated to the Trust in a lump sum.
6.3 Minimum Distribution Requirements

In no event shall distributions commence later than April 1 of the calendar year following the calendar year in which the Participant attains age seventy-and-one-half (70 1/2), except if the Participant is an Employee in the calendar year he or she attains age seventy-and-one-half (70 1/2), in which case the distribution may commence April 1 of the calendar year following the calendar year in which the Participant retires. Distribution in all cases will be made in accordance with Code section 401(a)(9) and the regulations thereunder.

6.4 Direct Rollover

(a) General

Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this Section 6.4, a distributee may elect, at the time and in the manner prescribed by the Administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(b) Definitions

(i) Eligible Rollover Distributions

An eligible rollover distribution is any distribution or withdrawal of all or any portion of an Accumulation Account balance, other than (1) any payment that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten years or more; (2) any payment to the extent such payment is required under Code section 401(a)(9); (3) the portion of any payment that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and (4) any other payment that is treated as ineligible for a direct rollover under Code section 401(a)(31), the related regulations, and other guidance.

(ii) Eligible Retirement Plan

An eligible retirement plan is (1) an individual retirement account described in Code section 408(a); (2) an individual retirement annuity described in Code section 408(b); (3) an individual retirement annuity described in Code section 403(a); (4) a qualified retirement plan described in Code section 401(a) that accepts the distributee’s eligible rollover distribution; (5) an eligible deferred compensation plan described in Code
section 457(b) maintained by an eligible employer described in Code section 457(e)(1)(A) that separately accounts for eligible rollover distributions; (6) an annuity contract described in Code section 403(b); or (7) effective January 1, 2008, a Roth IRA described in Code section 408A(b) (subject to the rules and provisions set forth in Code section 408A(e) and any regulations thereunder). For a non-spouse beneficiary described in the last sentence of Section 6.4(b)(iii) an eligible retirement plan shall include only an individual retirement plan or annuity described in (1), (2), or (7) above, that is treated as an inherited IRA of the beneficiary.

(iii) **Distributee**

A distributee includes a Participant or former Participant. In addition, the Participant’s or former Participant’s surviving spouse and the Participant’s or former Participant’s spouse or former spouse who is the alternate payee under an administrative domestic relations order are distributees with regard to the interest of the spouse or former spouse. Effective January 1, 2010, a Participant or former Participant’s non-spouse beneficiary is a distributee with respect to any otherwise eligible rollover distribution that is paid to the beneficiary.

(iv) **Direct Rollover**

A direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee.

6.5 **Reemployment of Participant**

Notwithstanding anything to the contrary in the foregoing, if a Former Participant returns to the service of the Employer as an Eligible Employee after distribution of his or her benefits has begun, such distributions shall immediately cease and no benefits shall be paid until such Participant again becomes entitled to benefits under the terms of this Plan.

6.6 **Payments Made Pursuant to an Administrative Domestic Relations Order**

Notwithstanding any other provision of this Plan, the Administrator may direct the distribution of any portion of the Participant’s Accumulation Account payable to an alternate payee (as defined in Code section 414(p)(8)) pursuant to an administrative domestic relations order (as determined by the Administrator in accordance with Code section 414(p)(11)) prior to the date on which the Participant attains his or her earliest retirement age (as defined in Code section 414(p)(4)), provided that the Administrator has properly notified the affected Participant and each alternate payee of the order and has determined that the order is an administrative domestic relations order. The alternate
payee shall be paid his or her separate accounts or his or her percentage of the Participant’s Accumulation Account in a lump sum payment unless the domestic relations order specifies a different manner of payment permitted by the Plan. The alternate payee shall not be required to consent to such lump sum payment.

SECTION 7 - AMENDMENT AND TERMINATION

7.1 Amendment

The University reserves the right to amend the Plan, through affirmative action by the Board at any time and from time to time, in whole or in part, including, without limitation, retroactive amendments necessary or advisable to qualify the Plan and Trust under the provisions of Code sections 401(a) and 403(a). The Board may delegate its authority to amend the Plan to one or more officers of the University. Except as set forth in Section 7.3, no such amendment shall (1) cause any part of the assets of the Plan and Trust to revert to or be recoverable by the University or be used for or diverted to purposes other than the exclusive benefit of Participants, Former Participants, and beneficiaries; (2) deprive any Participant, Former Participant, or beneficiary of any benefit already vested; (3) alter, change, or modify the duties, powers, or liabilities of the Trustee without its written consent; or (4) permit any part of the assets of the Plan and the Trust to be used to pay premiums or contributions of the University under any other plan maintained by the University for the benefit of its Employees. No amendment to the vesting schedule shall deprive a Participant of unforfeitable rights to benefits accrued to the date of the amendment.

7.2 Termination, Partial Termination, or Complete Discontinuance of Contributions

Although the Employer has established the Plan with the intention and expectation that it will make contributions indefinitely, nevertheless the Employer shall not be under any obligation or liability to continue its contributions or to maintain the Plan for any given length of time. The Employer may in its sole and absolute discretion through an affirmative action by its Board discontinue contributions or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for the discontinuance or termination. However, the Trust shall continue until the portions of Participants’ Accumulation Accounts that have been allocated to the Trust have been completely distributed to or for the benefit of such Participants in accordance with the Plan.

7.3 Permissible Reversions

(a) Notwithstanding any other provision of the Plan:

(i) No Participant nor beneficiary shall have any right or claim to any assets of the Trust or to any benefit under the Plan before the Internal Revenue
Service determines that the Plan and Trust qualify under the provisions of Code section 401(a), or any statute of similar import, other than any vested rights or benefits accrued represented by any assets transferred from the VRS, to the extent vested upon transfer to this Plan and Trust from the VRS. Upon the distribution to the Participants of any vested amounts or benefits transferred from the VRS and the return of any remaining contributions to the Employer following the denial of initial qualification of the Plan and Trust under the provisions of Code section 401(a), the Trust provided for in this Plan shall be terminated and the Trustees shall be discharged from all obligations hereunder.

(ii) To the extent the Employer's contributions are made by reason of a mistake of fact, they may be returned to the Employer within one (1) year from the date of contribution.

(b) The amounts that may be returned to the Employer under Section 7.3(a)(ii) above shall be the excess of the amounts contributed over the amounts that would have been contributed had there not been a mistake of fact. No earnings on the mistaken contributions may be returned to the Employer and losses sustained by the Trust after the date of contribution shall proportionately reduce the amount that may be returned to the Employer.

SECTION 8 - CLAIMS

8.1 Claims for Benefits Under an Annuity Contract

A Participant's (or beneficiary's) claim for benefits for the portion of the Participant's Accumulation Account allocated to an annuity contract shall be resolved by the sponsor of the annuity contract based on procedures it has established.

8.2 Claims for Benefits Under the Trust

A Participant's (or beneficiary's) claim for benefits for the portion of the Participant's Accumulation Account invested in the Trust may be presented in writing by the Participant to the Administrator.

If the claim for benefits is wholly or partially denied, the Administrator shall notify the Participant (or beneficiary) in writing of such denial of benefits within sixty (60) days of receipt of the claim.

Any notice of a denial of benefits shall advise the Participant (or beneficiary) of:

(a) the specific reason or reasons for the denial;
(b) the specific provisions of the Plan on which the denial is based;

(c) any additional material or information necessary for the Participant (or beneficiary) to perfect the claim and an explanation of why such material or information is necessary; and

(d) the steps which the Participant (or beneficiary) must take to have the claim reviewed.

A Participant (or beneficiary) whose claim has been denied may file a written request for a review by the Administrator of the denial of this claim. Such written request for review must be filed within sixty (60) days after receipt of written notification of the denial of this claim. The Administrator shall review the written comments and any submissions of the Participant (or beneficiary) and render its decision regarding the appeal within sixty (60) days of receipt of such appeal. Such decision shall be in writing setting forth the specific reasons and specific Plan provisions on which the Administrator based its decision.

SECTION 9 - ADMINISTRATION

9.1 Plan Administrator

The Administrator shall administer the Plan. The General Counsel of the University is designated as the agent of the Plan for the service of legal process.

The Administrator's duties shall include, without limitation, powers with respect to the administration of the Trust as may be conferred upon it by the Trust. It shall have the power to take all action and to make all decisions that shall be necessary or proper in order to carry out the provisions of the Plan and, without limiting the generality of the foregoing, it shall have the following powers:

(a) to make (and enforce by suspension or forfeiture) such rules and regulations as it shall deem necessary or proper for the efficient administration of the Plan;

(b) to interpret or construe the Plan;

(c) to decide questions concerning the Plan and the eligibility of any Employee to participate therein and the right of any person to receive benefits thereunder;

(d) to decide any dispute arising under the Plan;

(e) to compute the amount of benefits which shall be payable to any person in accordance with the provisions of the Plan;
(f) to authorize all disbursements by the Trustees;

(g) to prescribe and require the use of such forms as it shall deem necessary or desirable in connection with the administration of the Plan;

(h) to supply any remedies or corrections to omissions in the Plan;

(i) to reconcile and correct any errors or inconsistencies in the Plan; and

(j) to make equitable adjustments for any mistakes or errors made in the administration of the Plan.

The Administrator shall establish rules and regulations and shall take other necessary or proper action to carry out its duties and responsibilities.

9.2 Actions Conclusive

Benefits under this Plan will be paid only if the Administrator decides in its discretion that the applicant is entitled to them. All actions and decisions taken by the Administrator on any matter within its authority shall be made in the sole discretion of the Administrator and shall be final and conclusive and binding on all parties, including without limitation, the Employer, Participants, and beneficiaries.

9.3 Appointment of Agents

The Administrator may employ or engage such accountants, counsel, other experts, and other persons as it deems necessary in connection with the administration of the Plan to the extent permitted by law.

9.4 Reliance on Opinions, Etc.

The Administrator and each member thereof and each person to whom it may delegate any power or duty in connection with administering the Plan shall be entitled to rely conclusively upon, and shall be fully protected in any action taken by them or any of them in good faith reliance upon any valuation, certificate, opinion, or report which shall be furnished to them or any of them by the Trustees or by any accountant, counsel, other expert, or other person who shall be employed or engaged by the Trustees or the Administrator.

9.5 Records and Accounts

The Administrator shall keep or cause to be kept all data, records and documents pertaining to the administration of the Plan, and shall execute all documents necessary to carry out the provisions of the Plan. The Administrator shall advise the Trustees of such facts as may be pertinent to the Trustees’ administration of the Trust and shall give proper
instruction to the Trustees for carrying out the purposes of the Plan.

9.6 Payment of Expenses

(a) Subject to the provisions of paragraph (b) below, expenses in connection with the administration of the Plan and Trust including commissions, taxes, and expenses of the Trustees and of any accountant or other person who shall be employed by the Administrator or Trustees in the administration thereof, shall be paid by the Trust unless paid by the Employer.

(b) In the event of permanent discontinuance of contributions or termination any further payment of expenses which arise or have arisen in connection with the administration of the Plan and Trust shall be paid by the Trust unless paid by the Employer.

9.7 Liability

The Administrator shall incur no liability for any action taken or not taken in good faith reliance on advice of counsel, who may be counsel for the University or taken or not taken in good faith reliance on a determination as to a matter of fact which has been represented or certified by a person reasonably believed to have knowledge of the fact so represented or certified, or taken or not taken in good faith reliance on a recommendation or opinion expressed by a person reasonably believed to be qualified or expert as to any matter where it is reasonable or customary to seek or rely on such recommendations or opinions. Nor shall any employee of the Administrator be liable for the wrongful or negligent conduct of any other or any person having fiduciary responsibilities with respect to the Plan unless the employee (i) knowingly participates in or undertakes to conceal an act or omission of such other person knowing the act or omission is a breach of fiduciary duty, (ii) by failing to act solely in the interests of Participants and beneficiaries or to exercise the care, skill, prudence and diligence under the circumstances prevailing from time to time that a prudent man acting in a like capacity and familiar with such matters would exercise, has enabled the other fiduciary to commit a breach, or (iii) has knowledge of a breach by the other fiduciary and does not make reasonable efforts under the circumstances to remedy it. The University shall indemnify any employee and hold him or her harmless from loss, liability and expense in respect of the Plan for actions taken within the scope of his or her duties, including the legal cost of defending claims and amounts paid in satisfaction or settlement thereof provided only that no indemnification is intended that would be void as against public policy or the laws of the Commonwealth.

SECTION 10 - TRUST AGREEMENT

10.1 The Trust Agreement

Trust Agreement means the “Trust for the Optional Retirement Plan for Employees of the University of Virginia.” The Trustees are to hold, invest, and distribute the Trust Fund in
accordance with the terms and provisions of the Trust Agreement. The duties and rights of the Trustees shall be determined solely by reference to the Trust Agreement.

10.2 No Diversion of Corpus or Income

In no event shall any portion of the corpus or income of the Trust Fund be used for or diverted to purposes other than the exclusive benefit of Participants and their beneficiaries.

SECTION 11 - MISCELLANEOUS

11.1 Limitation of Rights; Employment Relationship

Neither the establishment of the Plan and the Trust nor any modifications of them, nor the creation of any fund or account, nor the payment of any benefits, shall be construed as modifying or affecting in any way the terms of employment of any Employee.

11.2 Merger; Transfer of Assets

(a) If the Employer merges or consolidates with or into another entity, or if substantially all the assets of the Employer are transferred to another entity, the Plan shall terminate on the effective date of the merger, consolidation, or transfer. However, if the surviving entity resulting from the merger or consolidation, or the entity to which the assets have been transferred, adopts this Plan, the Plan shall continue and the successor entity shall succeed to all rights, powers, and duties of the Employer under the Plan, and the employment of any Employee who is continued in the successor entity's employ shall not be deemed to have been terminated for any purpose under the Plan.

(b) This Plan shall not be merged or consolidated with any other employee benefit plan, nor shall there be any transfer of assets or liabilities from this Plan to any other plan, unless, immediately after the merger, consolidation, or transfer, each Participant's benefits, if the other plan were then to terminate, are at least equal to the benefits to which the Participant would have been entitled had this Plan been terminated immediately before the merger, consolidation, or transfer.

11.3 Prohibition Against Assignment

(a) Except as provided below, the benefits provided by this Plan may not be assigned or alienated. Neither the University nor the Trustees shall recognize any transfer, mortgage, pledge, hypothecation, order, or assignment by any Participant or beneficiary of all or part of his or her interest under the Plan, and the interest shall not be subject in any manner to transfer by operation of law and shall be exempt from the claims of creditors or other claimants from all orders, decrees, levies,
garnishment, and/or executions, and other legal or equitable process or
proceedings against the Participant or beneficiary to the fullest extent that may be
permitted by law.

(b) This provision shall not apply to the extent a Participant or beneficiary is indebted
to the Plan, for any reason, under any provision of this Agreement. At the time a
distribution is to be made to or for a Participant's or beneficiary's benefit, such
proportion of the amount distributed as shall equal such indebtedness, shall be
paid by the Trustees to the Trustees or the Administrator, at the direction of the
Administrator, to apply against or discharge such indebtedness. Prior to making a
payment, however, the Participant or beneficiary must be given written notice by
the Administrator that such indebtedness is to be so paid in whole or in part from
his account. If the Participant or beneficiary does not agree that the indebtedness
is a valid claim against his vested Accounts, he shall be entitled to a review of the
validity of the claim in accordance with procedures provided in Section 8.

(c) This provision shall not apply to an administrative domestic relations order
defined in Code section 414(p), and those other domestic relations orders
permitted to be so treated by the Administrator under the Code. To the extent
provided under an administrative domestic relations order, a former spouse of a
Participant shall be treated as the spouse or surviving spouse for all purposes
under the Plan.

11.4 Applicable Law; Severability

This Plan shall be construed, administered, and governed in all respects in accordance
with the laws of the Commonwealth, provided, however, that if any provision is
susceptible to more than one interpretation, it shall be interpreted in a manner consistent
with the Plan’s being a qualified plan within the meaning of the Code. If any provision of
this instrument shall be held by a court of competent jurisdiction to be invalid or
unenforceable, the remaining provisions of the Plan shall continue to be fully effective.

11.5 Reliance Upon Copy of Plan

Any person dealing with the Trustees may rely upon copies of the Plan and the Trust
Agreement, and any amendments thereto, certified by the Administrator to be true and
correct copies.

11.6 Gender and Number; Captions or Headings

Wherever appropriate to the meaning or interpretation of this Plan, the masculine gender
shall include the feminine, and the singular number shall include the plural and vice
versa. Captions or headings are inserted and intended for organizational format and
convenience of reference only; they are not to be given independent substantive meaning
or effect.
IN WITNESS WHEREOF, the undersigned, being an authorized officer of the University, has caused this Plan as restated and amended to be executed this 15th day of December, 2010.
