BENEFICIARY DESIGNATION MAY NOT APPLY IN THE EVENT OF ANNULMENT OR DIVORCE

Under Virginia law (Virginia Code § 20-111.1), a revocable beneficiary designation in a policy owned by one spouse that names the other spouse as beneficiary becomes void upon the entry of a decree of annulment or divorce, and the death benefit prevented from passing to a former spouse will be paid as if the former spouse had predeceased the decedent. In the event of annulment or divorce proceedings, and if it is the intent of the parties that the beneficiary designation of the former spouse is to continue, you are advised to make certain that one of the following courses of action is taken prior to the entry of a decree of annulment or divorce: (i) change the beneficiary designation to make it irrevocable; (ii) change the ownership of the policy or contract; (iii) execute a separate written agreement stating the intention of both parties that the beneficiary designation is to remain in effect beyond the date of entry of the decree of annulment or divorce; or (iv) make certain that the decree of annulment or divorce contains a provision stating that the beneficiary designation is not to be revoked pursuant to § 20-111.1.

(2) your amount of life insurance under the Group Policy would have been reduced under
the provisions of the Group Policy that were in effect at the start of your Total Disability;
the amount of life insurance under the Group Policy continued under this benefit for you will
also be reduced under those provisions.

In no event will your life insurance under the Group Policy be increased while you are Totally
Disabled.

If The Conversion Provision Is Used Before Waiver Approved
...and a Standard individual policy of life insurance was issued to you under “PART 6: WHEN
INSURANCE CEASES, Conversion Of Life Insurance,” payment can be made under either
“PART 4: TYPES OF BENEFITS, The Death Benefit” or the individual policy, not both. Before
payment can be made under “PART 4: TYPES OF BENEFITS, The Death Benefit,” the individual
policy must be surrendered to Standard without claim except for the return of any premiums

the Group Policy will be reduced by the amount paid under the individual policy.

Insurance Continued Under The Waiver Of Life Insurance Premium Benefit Will Cease
...on the earliest of the following events:
(1) the date you cease to be Totally Disabled; or
(2) the date you become age 70; or
(3) the date you fail to give proof of continuous Total Disability, as required.

Insurance will not be affected by termination or amendment of the Group Policy after you
become Totally Disabled.

When The Waiver Of Life Insurance Premium Benefit Ceases
...you may purchase an individual policy under “PART 6: WHEN INSURANCE CEASES, The
Conversion of Life Insurance” as if your employment had terminated. If, however, you return to
Active Work for your Employer during the conversion period and are again insured under the
Group Policy, no conversion will be permitted.

(C) The Accelerated Benefit
...may be provided if you have a Terminal Illness. You may elect to accelerate the payment of
your life insurance under the Group Policy in advance of your death, if Standard receives
satisfactory proof that you have a Terminal Illness.

However, if your life insurance under the Group Policy is scheduled to end within 12 months
following the date you apply for the Accelerated Benefit, you will not be eligible for the
Accelerated Benefit.

There is no separate premium cost for the Accelerated Benefit and no discount or lien
associated with acceleration of the life insurance under the Group Policy.

Terminal Illness
...is a state of health in which life expectancy is 12 months or less. Terminal Illness must be
certified by a Physician.

The Amount Of Life Insurance That Can Be Accelerated
...will be the amount set forth in “PART 3: SCHEDULE OF BENEFITS, The Amount of Life

Policy is scheduled to reduce within 12 months from the date Standard approves your
accelerated payment; the amount of the Accelerated Benefit will be based on the reduced
amount of life insurance under the Group Policy.

The minimum amount of life insurance under the Group Policy that can be accelerated is
$5,000 or 10% of your amount of life insurance under the Group Policy, whichever is greater.
Payment Will Be Made

1. to elect this benefit to satisfy the claims of any creditor(s) or to satisfy any judgments against you; or
2. by any government agency to elect this benefit in order to apply for, receive, or maintain any government sponsored benefit, entitlement, or any other form of public assistance.

2. Conversion Of Life Insurance

**PART 5: PAYMENT OF BENEFITS**

**FOR EMPLOYEES AND RETIRED EMPLOYEES**

The Benefits Are Payable

...to your Beneficiary, except as otherwise provided. You may name one or more Beneficiaries. You may designate different classes of Beneficiaries such as primary (first) and contingent (secondary). These classes set the order of payment. A class may contain more than one person.

If you name two or more Beneficiaries in a class:

(1) Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.
(2) If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, Standard will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, Standard will then pay the share(s) otherwise due to any deceased Beneficiaries to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.

(3) If only one Beneficiary in a class survives, Standard will pay the total death benefits to that Beneficiary.

You May Name Or Change The Beneficiary
...at any time without the consent of a Beneficiary.

Your Beneficiary designation must be the same for life insurance and accidental death & dismemberment insurance, if any, under the Group Policy.

You must name or change Beneficiaries in writing. Writing includes a form signed by you or a verification from the Policyholder or Employer of an electronic designation made by you.

Your designation:
(1) must be dated;
(2) must relate to the insurance provided under the Group Policy;
(3) must be delivered to the Policyholder or Employer during your lifetime;
(4) will take effect on the date it is delivered to the Policyholder or Employer.

If Standard approves it, a designation which meets the requirements of a prior plan will be accepted as your Beneficiary designation under the Group Policy.

If A Beneficiary Or A Person In One Of The Classes Below Dies On The Same Day You Die
...or within 15 days thereafter, benefits will be paid as if that Beneficiary or person had died before you, unless Proof Of Loss with respect to your death is delivered to Standard before the date of the Beneficiary’s death.

If No Beneficiaries Are Named
...or are alive at your death, the benefits will be paid in equal shares to the first surviving class of the classes below:
(1) your Spouse.
(2) your children.
(3) your parents.
(4) your brothers and sisters.
(5) your estate.

The Methods Of Payment
...other than a one sum payment may be requested by you or, after your death, by a Beneficiary other than your estate. When Standard receives satisfactory Proof Of Loss, the benefits provided under the Group Policy will be payable in one sum unless some other method of payment is (or was) requested in writing and approved by Standard. Amounts and terms of other than one sum payments will be those normally offered by Standard for group life insurance at the time of the request.

If the amount payable is less than $25,000, Standard will pay it in a lump sum. If the amount payable is $25,000 or more, Standard will deposit it into a Standard Secure Access checking account which:
(a) bears interest;
(b) is owned by the person entitled to receive the benefit;
(c) is subject to the terms and conditions of a confirmation certificate which will be given to
the person entitled to receive the benefit;
(d) is fully guaranteed by Standard.

FOR DEPENDENTS

The Dependent's Death Benefit
...is payable to you.

If dependent’s life insurance under the Group Policy is extended, the Dependent’s Death
Benefit is payable to:
(1) your Spouse; or
(2) the executor or administrator of your estate, if your Spouse is not living on the date of
the Dependent’s death.

The Method Of Payment
...for the Dependent’s Death Benefit will be in a one sum payment when Standard receives
satisfactory Proof Of Loss. No other method of payment is provided.

PART 6: WHEN INSURANCE CEASES

Your Insurance Will Cease
...on the earliest of the following events:

(2) the date the Group Policy is changed to terminate insurance on the class of Employees

(3) the date the last period ends for which the required premium contribution was made for
your insurance; or
(4) the date you fail to meet any required Work Test; or
(5) the date you stop Active Work in an Eligible Class, unless:
you are eligible as a Retired Employee.

If you are no longer Actively At Work due to a leave of absence or other absence, ask your
Employer or Policyholder for information about options available under the Group Policy for

When your insurance under the Group Policy ends, you may convert to an individual life

(1) You must make application for an individual policy and pay the first premium for that policy within 31 days after the date your life insurance under the Group Policy ceases; and

(a) the reasons for Standard’s decision.
(b) reference to the parts of the Group Policy on which Standard’s decision is based.
(c) a description of any additional information needed to support the application for benefits.
(d) information concerning the claimant’s right to a review of Standard’s decision.

If Standard extends the review period, you will be notified of the following: (a) the reasons for the extension; (b) when Standard expects to decide your application for benefits on review; and (c) any additional information Standard needs to decide your application for benefits.

If Standard requests additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, Standard may conclude Standard’s review of the application for benefits based on the information Standard has received.
With respect to an application for the Waiver Of Life Insurance Premium Benefit (or other benefits based on disability), the person conducting the review will be someone other than the person who denied the application for benefits and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgment, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original medical judgment and will not be subordinate to that person. You may request the names of medical or vocational experts who provided advice to Standard about an application for the Waiver Of Life Insurance Premium Benefit (or other benefits based on disability).

If Standard denies any part of the application for benefits on review, you will receive a written notice of denial containing:

1. the reasons for Standard's decision; and
2. reference to the parts of the Group Policy on which Standard's decision is based; and
3. information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your application for benefits.

Standard will comply with any shorter time limits which may be required by the laws or regulations of the state in which the Group Policy is issued.

Standard is not responsible for whether any assignment is valid. You may not assign insurance as collateral security.

The Group Policy
Standard and the Policyholder may agree to terminate or change any part of the Group Policy without your consent. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any classes or groups of Employees. Any change or amendment of the Group Policy may apply to current or future Employees or to any classes or groups of Employees. Such termination or change will not affect life insurance that is continued under
the following provisions, if any, on the date of such termination or change: "PART 4: TYPES OF
BENEFITS, Waiver Of Life Insurance Premium Benefit" and "PART 6: WHEN INSURANCE
CEASES, Death During The Conversion Period."

The Group Policy will terminate automatically due to non-payment of premiums by the
Policyholder in accordance with the terms of the Group Policy. Also, Standard may terminate
the Group Policy as of any date set forth below by giving notice in writing which is mailed to
the Policyholder at least 90 days before this date:

(1) the Group Policy Anniversary Date; or

(2) any premium due date, if on a prior premium due date the participation requirements
set forth in the Group Policy have not been met.

Standard may terminate insurance under the Optional Schedule as of any premium due date
by giving notice in writing which is mailed to the Policyholder at least 90 days before this date
if on a prior premium due date less than 30% of Employees eligible for insurance under the
Optional Schedule were insured for such insurance.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No
change or amendment will be valid unless it is approved in writing by one of Standard’s
executive officers and given to the Policyholder for attachment to the Group Policy. The
Policyholder, your Employer, and their respective employees or representatives have no right or
authority to change or amend the Group Policy or to waive any of its terms or provisions
without Standard’s signed, written approval.

Standard may change the Group Policy in whole or in part if:

(1) the change in the Group Policy is either requested by the Policyholder or is made to
satisfy any legal requirement that applies to the Group Policy; or

(2) the change affects Standard’s administration of the Group Policy and is intended to
apply to all similar group insurance policies that are affected by the change. Standard
will give the Policyholder written notice of Standard’s intent to make this kind of change
at least 31 days in advance of the effective date of the change. Payment of the next
premium due under the Group Policy will be the Policyholder’s acceptance of the
change, unless the Policyholder rejects the change, in writing, prior to its effective date.

Neither the Policyholder nor your Employer are Standard’s agent or representative. Standard
will not be responsible or liable for any act or omissions of either of them.

**Discretionary Authority For Claims**

Benefits will be provided only if Standard decides in its discretion that you are entitled to them.
This discretionary authority includes determining eligibility for benefits and interpreting the
terms of the Group Policy.

**Incontestability Of Insurance**

Any statement made to obtain or to increase insurance is a representation and not a warranty.

No misrepresentation will be used to reduce or deny a claim unless:

(1) The insurance would not have been approved if Standard had known the truth; and

(2) Standard has given you or any other person claiming benefits a copy of the signed
written instrument which contains the misrepresentation.

No written statement made by any person insured shall be used in any contest unless a copy of
the statement has been furnished to the person, his beneficiary, or his personal representative.

Standard will not use a misrepresentation to reduce or deny a claim after the insured’s
insurance through the Employer has been in effect for two years from the date of issue during
the lifetime of the insured.
Incontestability Of The Group Policy Or Employer Coverage Under The Group Policy

Any statement made by the Policyholder to obtain the Group Policy or made by an Employer to obtain coverage under the Group Policy is a representation and not a warranty.

No misrepresentation by the Policyholder or your Employer will be used to deny a claim or to deny the validity of the Group Policy or your Employer’s coverage under the Group Policy unless:

1. The Group Policy would not have been issued or your Employer’s coverage under the Group Policy would not have been approved if Standard had known the truth; and
2. Standard has given the Policyholder or your Employer a copy of a written instrument signed by the Policyholder or your Employer which contains the misrepresentation.

The validity of the Group Policy or your Employer’s coverage under the Group Policy will not be contested after it has been in force for two years from the date of issue, except for nonpayment of premiums.

Clerical Error

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

1. Cause a person to become insured; or
2. Invalidate insurance under the Group Policy otherwise validly in force; or
3. Continue insurance under the Group Policy otherwise validly terminated; or
4. Cause an Employer to become covered under the Group Policy.

Misstatement Of Age

If a person’s age has been misstated, Standard will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.
