Interested in knowing how emotions can affect financial decisions, especially in volatile markets? Plan to attend a workshop to learn:

- How do the powers of emotions affect investor performance?
- How are these behaviors fueled by today’s volatile markets?
- What are the most common behavioral tendencies that hurt returns?

There will be two sessions on: February 25th

10:00 to 11:00 a.m.    Jordan Hall Conference Center 2 ABC 2nd Floor
1:00 to 2:00 p.m.      Newcomb Hall Room 481
